8 JALAK ABDULKADER,
9 Plaintiff,

10 v.
11 GLOBAL LINGUIST SOLUTION (GLS),
12 *et al.*,
13 Defendants.

Case No. C13-1818RSL

ORDER OF DISMISSAL

14 On March 18, 2014, plaintiff filed a document titled “Respond (sic) to Court
15 Request” (Dkt. # 16) in the above-captioned matter in response to the Court’s Order
16 Requiring More Definite Statement. The underlying Order Requiring More Definite
17 Statement identified fatal pleading defects in the original complaint, noting that plaintiff
18 had not stated a plausible claim for relief against any of the named defendants or made
19 any allegations regarding this Court’s jurisdiction. The Court instructed plaintiff to file
20 an amended complaint that clearly and concisely alleges facts supporting legal claims
21 against each defendant. Dkt. # 8. The Court warned that failure to file an amended
22 complaint correcting the deficiencies within the time provided would result in dismissal
23 of his case. Id.

24 Plaintiff’s submission does not fix these defects. Although filed in a timely
25 manner, see dkt. # 15, plaintiff’s submission fails to assert a plausible claim for relief
26 against any of the defendants. Plaintiff’s statement still contains vague allegations that
the U.S. Army wiretapped his room and defendants and third-parties disseminated

1 “propaganda information multiple times.” Dkt. # 16 at 2. His general assertion that this
2 conduct constitutes “an act of war, financial, economic, and personal wellbeing (sic)
3 damage” does not meet the pleading standards of Fed. R. Civ. P. 8(a).

4 Plaintiff’s submission fails to state a claim upon which relief can be granted by a
5 federal court. The above-captioned matter is therefore DISMISSED without prejudice.
6 The Clerk of Court is directed to send a copy of this Order to plaintiff.

7 DATED this 25th day of March, 2014.
